

SHIVANGI ANEJA

MULTIDISCIPLINARY DESIGNER

Creative multidisciplinary designer, passionate about functional & aesthetic designs and always eager to learn and expand on creative avenues.

The skills I possess are spread out diversely which work hand-in-hand with a strong personal belief system regarding visual products. Ranging from Graphic Design (web, informative, typographic & illustrative) to Textile & Material Manipulation.

I use these skills to blend multiple things together to create something of value & highest utility.
